MISSION STATEMENT

The mission of Homecoming Project is to provide women with a comprehensive, family-oriented program of recovery from homelessness and substance abuse in a supportive residential environment.

Dear Sponsor and/or Donor,

Homecoming Project, Inc. is celebrating its 13th year of assisting women in recovery from the number one healthcare problem in America - alcoholism and drug addiction.

Please join us in celebrating 13 years of Recovery at our Annual Fundraising Gala.

We are excited to announce that this year it will take place at the Waters Edge Events Center in Belcamp on Thursday September 12, 2019.

Homecoming Project, Inc. is a non-profit, 501 c (3) organization. Our mission is to provide women with a comprehensive, family-oriented program of recovery from homelessness and substance abuse in a supportive residential environment.

Please consider being a sponsor and/or in-kind donor. If you helped us last year, thank you! Please consider supporting our clients in 2019, as we continue to offer support and treatment that help women achieve long-term sobriety.

If your interest does not include a monetary donation, we would be pleased to customize a sponsorship package with you. This may include merchandise for the silent auction or donating in-kind-services such as resume writing, technology training or salon services. Your contributions are used to support scholarships, job training and treatment for women seeking recovery. These funds are put to good use by helping individuals obtain further education, care for their children, re-unite and build stronger families.

Homecoming is so grateful for the wonderful support we continue to receive from the individuals and businesses of Harford County and beyond. We look forward to partnering with you and/or your organization.

We thank you for your kind consideration.

With great appreciation,

Robin Keener
