We are a family of 14 women (on average). We ask for gift cards so we can stock up in some of our staple items when they are on sale. Some of these items are: toilet paper, paper towels, laundry detergent, and feminine hygiene products.

The new clients need socks, underwear, shoes and pants for work, etc. It is rare that clothing donations fit the women in need. This is why we request the gift cards. Please take clothing donations to Goodwill or Tabitha's House they are set up for this.

Donations of sugar, coffee, creamer, paper plates, napkins, frozen fish, large roasts, eggs, bacon, 2% milk, cleaning supplies are always welcome.*

*some everyday items contain alcohol and we cannot use them. If you wish to donate food or bath products please check the product contents.

We do appreciate all donations and we thank you for caring!

If you have any questions about a donation, please feel free to call us at 410-399-2904.
